

Connect With Others

College Reality

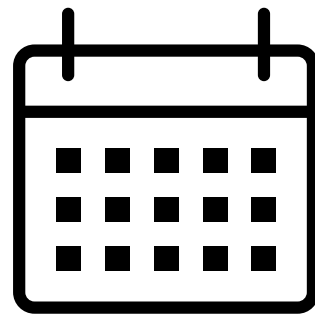

College life offers endless opportunities, but balancing it all often feels like a constant juggling act.

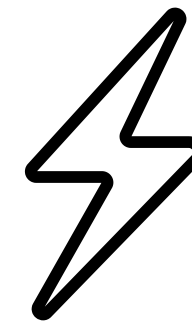

Spontaneous Meetups

**Real Time
Availability Updates**

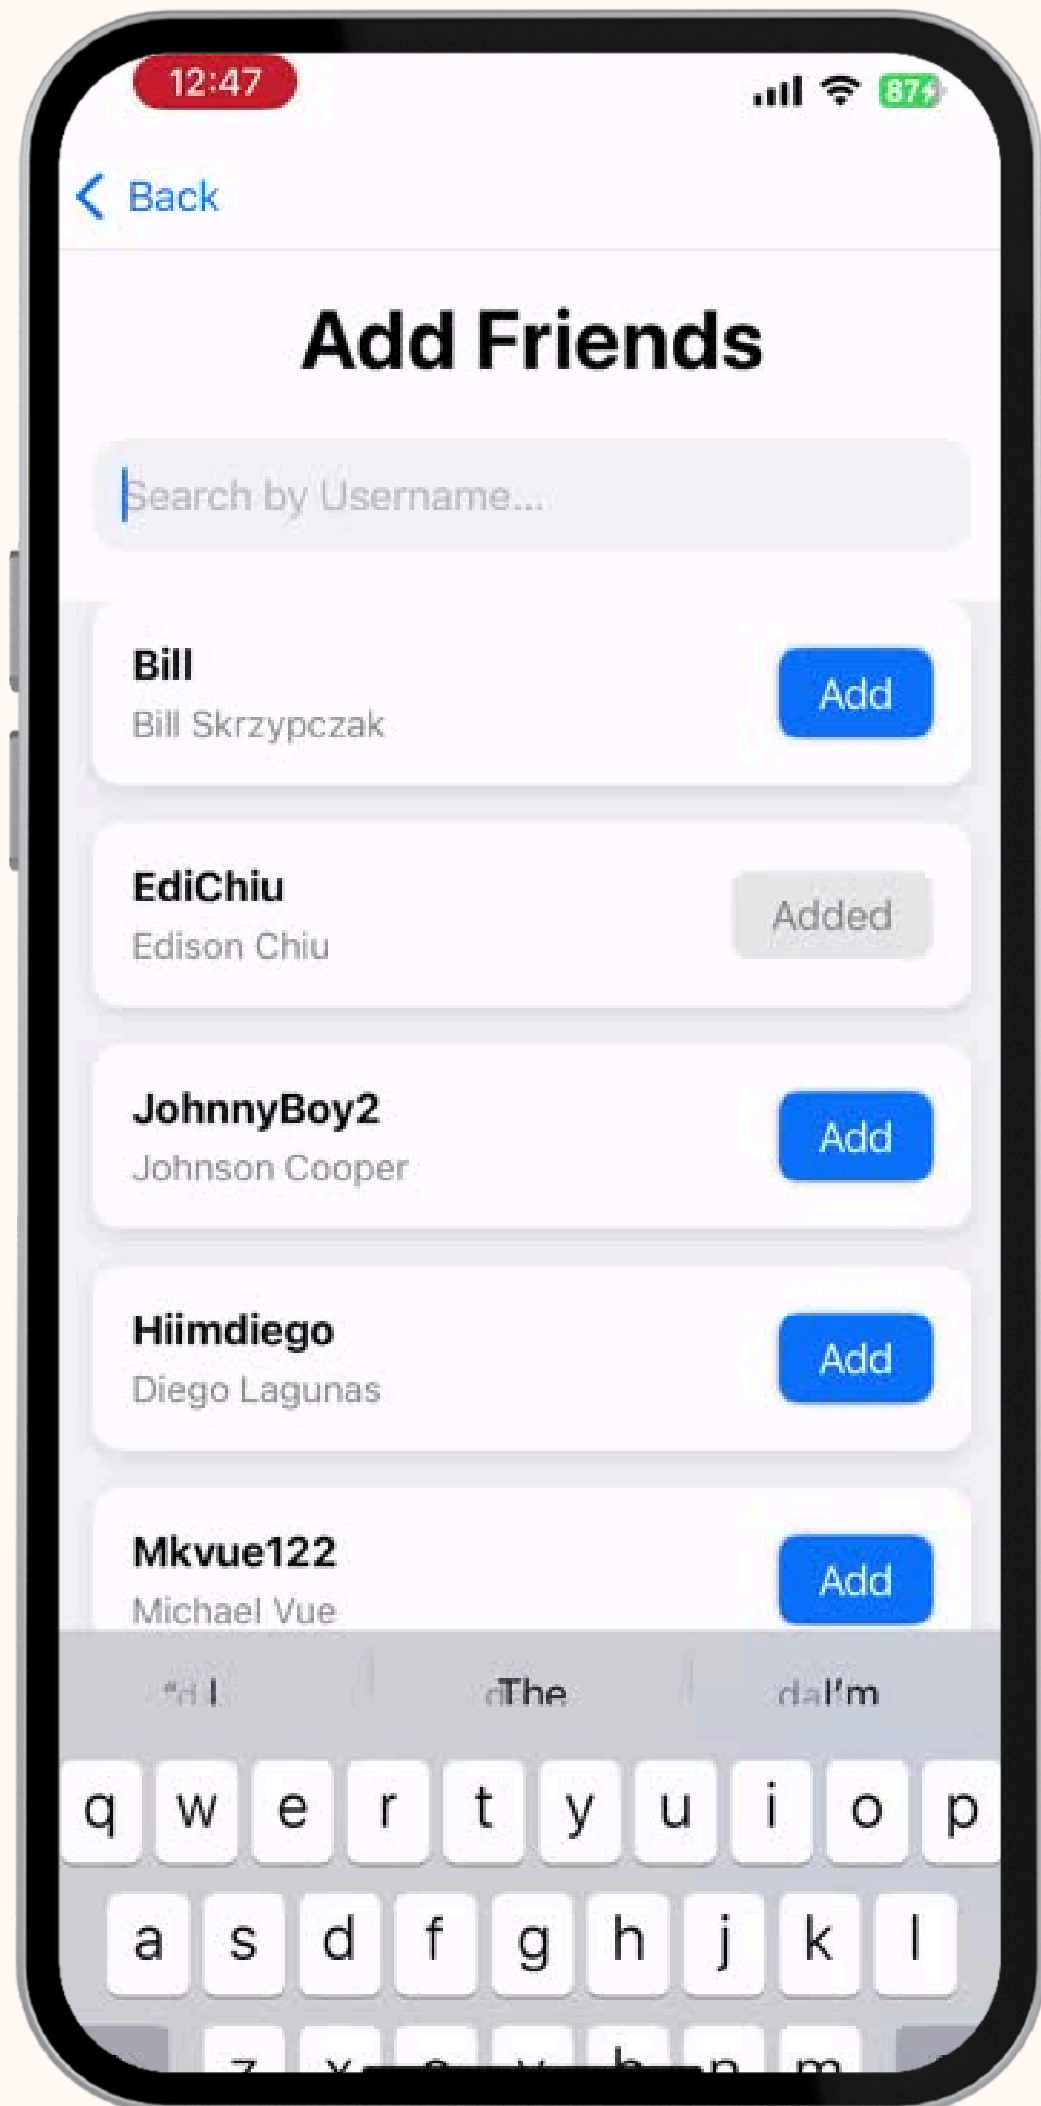

**Calendar
Syncing**

**Instant
Events**

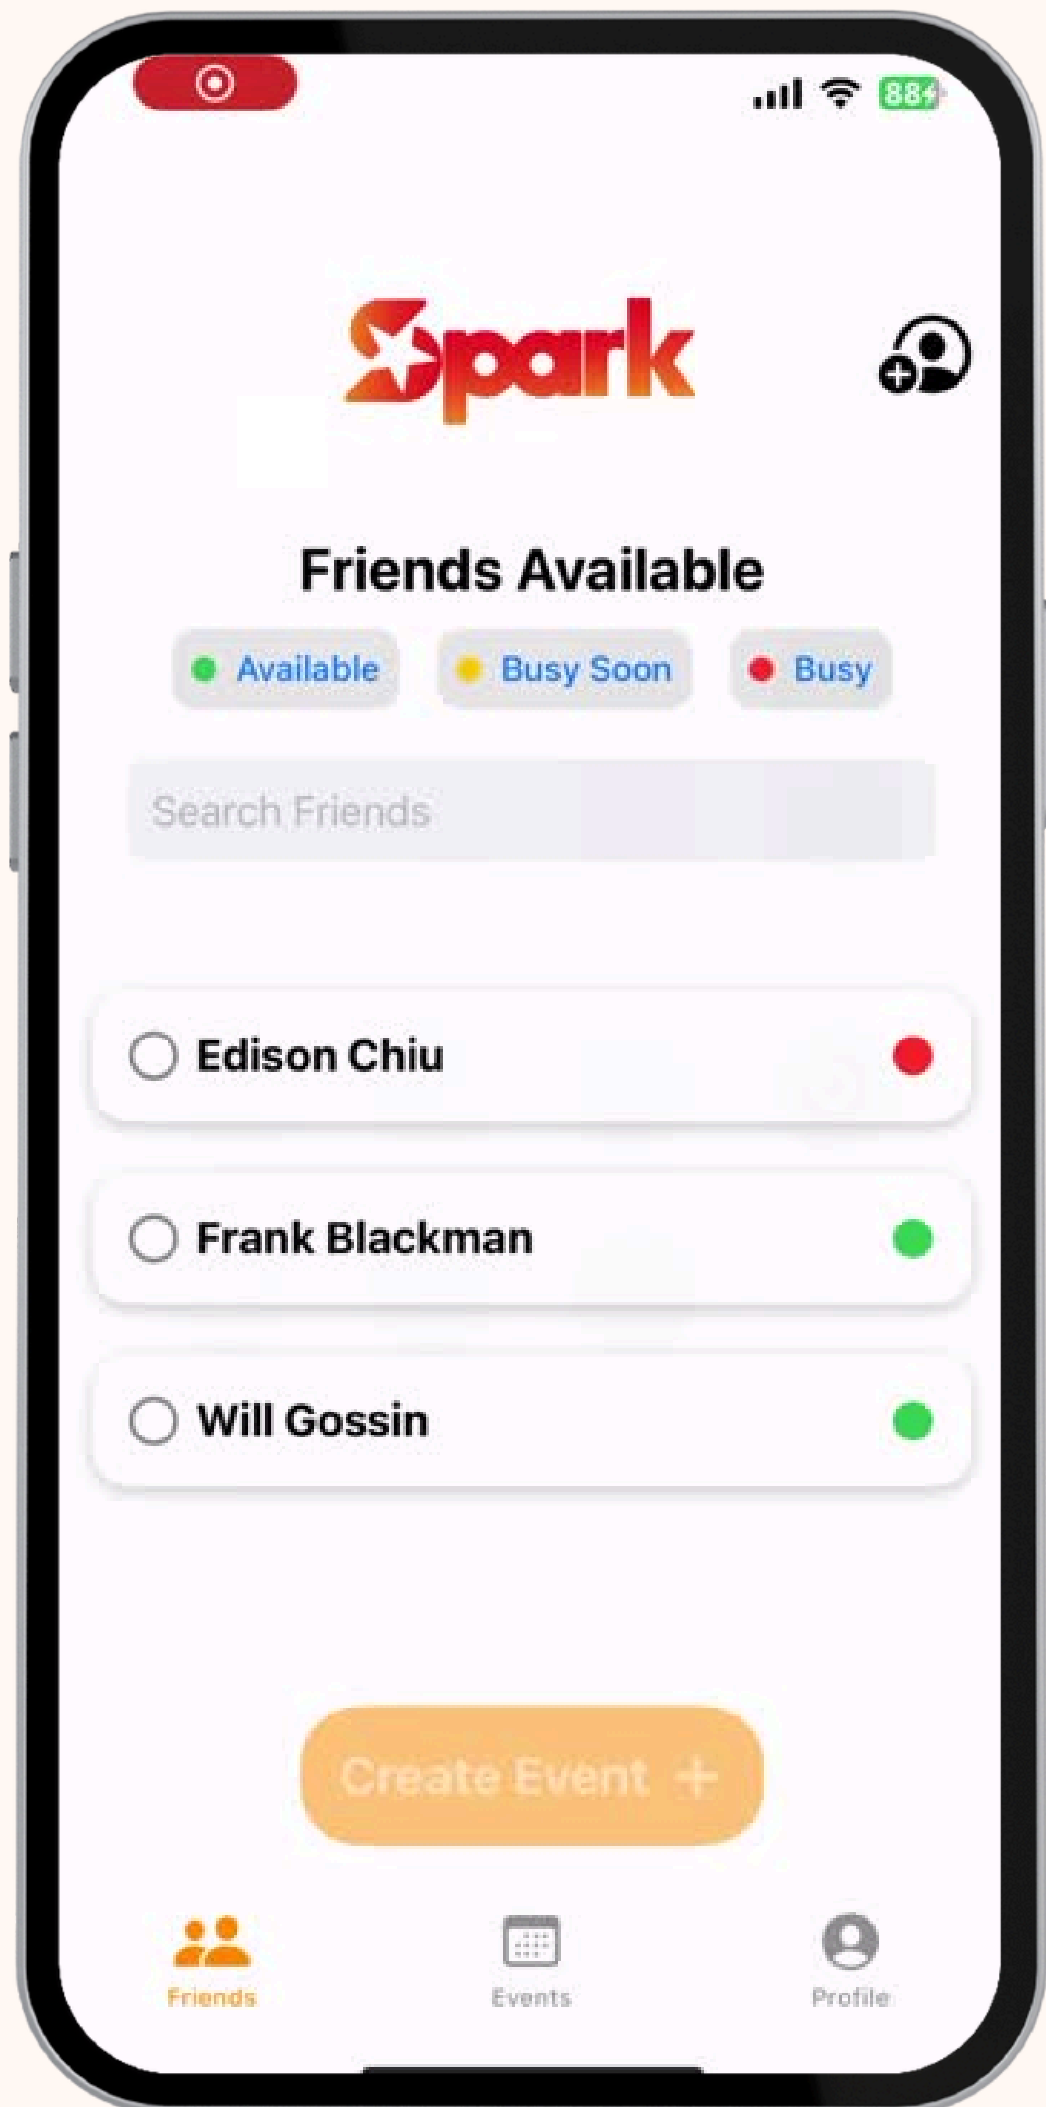

Add Other Users

The app removes the need for endless back-and-forth and simplifies the planning process.

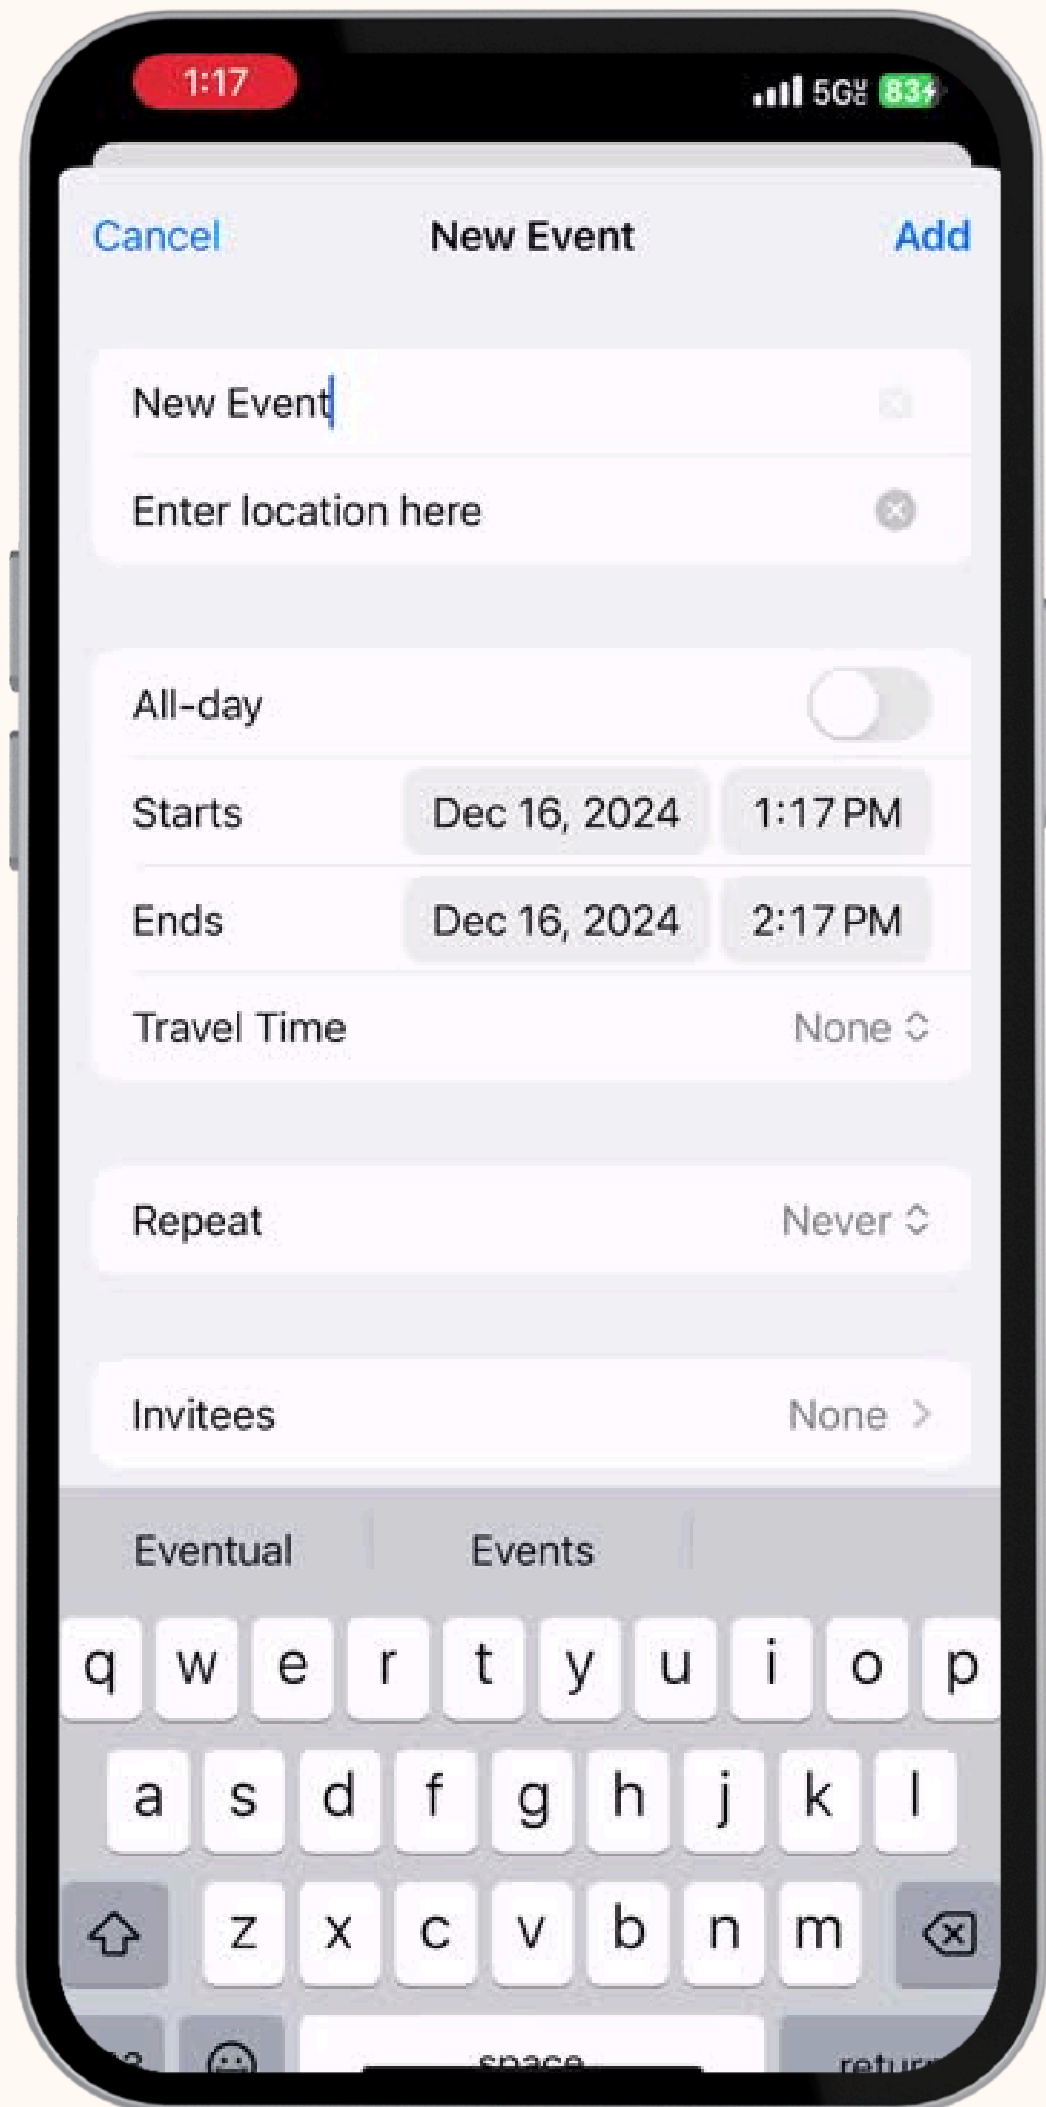

Calendar Syncing

Syncing calendars ensures availability updates are automatic

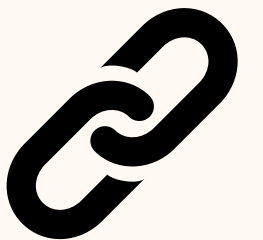

Instant Events

This removes the hassle of planning, bringing groups together faster
